OUR PLEDGE

India is my country. All Indians are my brothers and sisters. I love my country, and I am proud of its rich and varied heritage. I shall always strive to be worthy of it. I shall give my parents, teachers and all elders respect, and treat everyone with courtesy. To my country and my people, I pledge my devotion. In their well-being and prosperity alone lies my happiness.

Jai Hind.

Message From the Secretary

Dear Parents and Beloved Teacher-Trainees,

Sincere greetings to the Muslim College of Education. The Muslim College of Education (MCE), which was born from the educational vision of the Muslim Educational Society (MES), extends its love and compassion to everyone. We, the members of MES, believe that education is essential to human development in order to fulfil one's personal and social responsibilities. We aspire to create a just and humane society in which the dignity of the human person is respected, where unjust social structures are challenged, where our cultural heritage of Ahimsa, religious harmony, and national integration are upheld, and where the poor and the marginalised are given special consideration. Our institutions are open to students of all castes and creeds; they are accepted and cherished for who they are, and they are encouraged to cultivate their cultural, social, and religious traditions. Since they are privileged to be in our institutions, they will also have the right to know Allah. We expect teachers, teacher-trainees, and parents to share our vision and collaborate with us wholeheartedly in order for these goals to be realised.

Lion. Dr. H. Mohamed Ali

Secretary

Muslim College of Education

Message from the Principal

Muslim College of Education has the enviable mission of bringing out the best in every teacher-trainee entrusted to our care, with all of his or her inherent potentials fully realised. We shape and mould our teacher- trainees so that they are able to deal with any problem they encounter, evaluate situations appropriately as they arise, and never overlook an appropriate course of action. Our mission is to provide an advanced education and thereby equip a group of socially committed, aesthetically refined, emotionally stable, physically fit, intellectually capable, morally upright, religiously pious, spiritually enlightened, and vocationally self-sufficient citizens.

Acquiring knowledge by itself is not Education, but education is what makes us better human beings and thus determines the future of the nation. Education should assist individuals in acquiring life skills, allowing them to live well, interact with others appropriately, and contribute their best to society/nation/world. Education's ultimate goal should be to create a world where only the positive qualities of individuals are utilised, developed, and spread. The father of our nation, Mahatma Gandhi, has eloquently described the meaning of education as "the total development of the child and the man, in body, mind, and spirit." Here at this college, we strive to bring out the best in our student-teachers in every way, so that they will be prepared to do the same when they become actual teachers. To achieve this common goal, the faculty have organised all activities as a team effort. Thus, the College is achieving new heights in terms of academic excellence and social engagement. Best wishes to all.

Dr. V.S. Pramod
Principal

Ramaswami is in charge of running the College's business side. The principal is in charge of the academic side of the College, and the Management is in charge of the business side. The College Academic Council helps the Principal with administrative tasks and gives him or her advice. The council is made up of well-known academics.

Academic Advisory Committee

In order to have an efficient academic planning and for future development activities an advisory committee with the following noted academicians in the field of education has been constituted.

HISTORY OF THE COLLEGE

The Muslim College of Education, No. 1 New Street, Thiruvithancode, Kanniyakumari Dist., Tamil Nadu, one of the pioneering teacher training institutions in Tamil Nadu, is dedicated to the cause of learning, research and outreach. It is a dream project of the Muslim Educational Society(MES) Thiruvithancode, a society fashioned to uplift the marginalized sections of the people in Kanniyakumari. The Muslim College of Education had its inception in the year 2007 with 100 B.Ed. teacher -trainees. In the year 2008, the College was granted permission to launch the M.Ed. course. Representing the minority, the college has unlocked its doors to all and sundry who cherished to get into this institution for admission. A galaxy of eminent teachers with competency, professionalism, passion, devotion and dedication, with the infinite support furnished by the management, has ignited the institution to grow with a remarkable legacy within a short span of time. Our College was accredited with “B” grade by the National Assessment and Accreditation Council (NAAC) of the UGC. They were extremely pleased with the academic excellence, organization, staff pattern, physical environment, and outreach programmes of the College. It has provided us added responsivity and commitments to work for improvement. We strongly believe in the NAAC dictum, Quality Enhancement and Quality sustenance. We strive hard to uphold it.

In 2014 the institution got permission to start M.Phil. Course in Education, with 20 full time scholars. Ours is the only College

Tamil Nadu Teachers Education University, Chennai.
The College is also preparing for opening twinning

programmes with institutions of global repute. The Muslim College of Education is proud of the fact that it gives the teacher-trainees maximum opportunities for outreach programmes. We believe greatly in value, support and collaboration, discussion, and dialogue with a variety of local and regional community associates.

The College organize add on programmes like Yoga, Ornamental Decoration, Fruits and Vegetable Carving, Candle Making, Glass Painting, Flower Making and Flower Arrangement and so on. Communicative English is another area which we give maximum concentration on. The College has an association with the Junior Chamber International Trivandrum Chapter. It is an international organization formed to inspire the youth and also to empower them. The training programmes of JCI inspire our young budding teacher -trainees to explore the vast ocean of opportunities in the field of teaching.

The Muslim College of Education has started a peer reviewed biannual national journal titled Teacher Learner and Society (TeLes) in the year 2013 with the ISSN 2348-8409. After the warm recognition received by TeLeS, by the intelligentsia, inspired us to start an international journal titled International Journal of perspectives in Education, (IJPE)with the ISSN 2456-3412 in 2016. It is also a peer reviewed multi-disciplinary international journal.

Realising the feasibility of starting integrated courses the National Council for Teacher Education (NCTE) granted the Muslim College of Education, permission to start 4 year B.AB.Ed and BScB.Ed integrated courses from the academic year 2017 -2018. Only 8 colleges of education in Tamil Nadu have such a credential status.

IQAC

In response to the recommendations of NPE (1986) about addressing the issues of deterioration in quality of education, the National Assessment and Accreditation Council (NAAC) was set up in 1986. The NAAC Peer Team visits institutions and grades them in accordance with the quality standards maintained therein. Our institution was accredited 2013. Though we bagged the 'B' Grade, there was much to learn from the suggestions provided by the NAAC Peer Team. The Internal Quality Assurance Cell (IQAC) was formally composed, and each year the same is recomposed keeping in mind the needs of the institution, the nature of the staff, etc. In order to obtain objective suggestions and remarks, the IQAC panel included the Head of the Institution, a few senior administrative officers, three to eight teachers, one member from the Management, two nominees from local society, Students and Alumni representatives, two nominees from Employers, Industrialists and stakeholders and one as the Co-ordinator of the IQAC. This team consistently makes forays into various institutional activities to enhance and sustain the quality of education provided.

In 2013 the College was accredited with 'B' grade by NAAC. The IQAC (Internal Quality Assurance Cell) was formed in the year 2013 for development and application of quality benchmarks/parameters for the various academic and administrative activities of the College. The primary aim of IQAC are

- ★ To develop a system for conscious, consistent and catalytic action to improve the academic and administrative performance of the institution.

- ★ To promote measures for institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices.

ACTIVITIES OF THE COLLEGE

Assembly and Thought for the Day

Morning Assembly is held every day, with the college prayer, national anthem, and 'Thought for the Day' as regular components. Under the direction of the principal, Thought for the Day and Assembly are regularly conducted between 9.15 am and 9.45 a.m. This is intended to provide teacher-in-trainings with novel ideas to meet the needs of society. In this programme, teacher-in-trainings are given opportunities to share their perspectives on various education, value system, and contemporary issues. The objectives of the programme are to develop leadership qualities and to make teacher candidates active participants in the college's programmes. Thought for the Day is indispensable for the development of communication skills, interpersonal relationships, and self-discipline.

Moral Education

The college provides prospective teachers with a value-based education and a learning environment that encourages character development and prepares them for a life of learning and service. Integral to the B.Ed. curriculum is moral education, which helps students develop morally and ethically. The college has a number of social service clubs in which students participate actively to cultivate values of service to humanity, love for nature, feelings of gratitude and brotherhood, world peace, etc.

Alumni

The Alumni Association was formed in year the 2008. Since then, every year it holds its annual meeting in which views are exchanged between members and their healthy suggestions to further the progress and prosperity of the institution are welcomed. On the occasion alumni members are also honoured for their excellence in the field of academics and their contributions toward the society. Cultural programmes are also organized on the occasion. The alumni members contribute a lot to the growth and development of the college by assisting the organization and celebrations of all important functions including annual function. The alumni association holds extension lectures for the students for personality development, capacity building, and communication skills, conducts mock interviews to enable students to face interviews with confidence. Alumni members enrich the present batch with their expertise from time to time. The alumni members also provide their expertise in preparing teams for various competitions.

Guidance and Counselling Cell

Our CounselingCenter is committed to providing teacher-trainees with the optimal learning environment. The academic performance and personality of teacher-trainees may be affected by their emotional and physical difficulties. The Cell provides proper guidance to each student in order to equip him or her to face life's challenges and advance academically. Our school offers training in Personal Counselling, Group Counselling, and Life Skill Education. Mrs. S. Indira, assistant professor in the M.Ed. section, is in charge of the Counselling and Guidance Cell.

Remedial Teaching

The college also provides remedial instruction to students who require additional guidance or instructional aids. The college strives to maintain an academic atmosphere which encourages learning, research and healthy academic competition. Teachers must diagnose and prepare instructional materials for remedial teaching to ensure the desired quality of learning. Remedial teaching is a crucial component of the teaching-learning process.

Health Club

The college constituted a Health Club to ensure the health status of the teacher- trainees. Every teacher trainee will have to undergo a medical examination. Seminars and workshops are organized for creating awareness about good health practices of the world.

Placement Cell

The Placement Cell of the college is responsible for all aspects of campus placements for B.Ed. and M.Ed. teacher-trainees. The Placement Cell has an excellent infrastructure to support each phase of the placement procedures. The Placement Cell conducts Pre-Placement Discussions, Written Tests, Group Discussions, and Interviews in accordance with the needs of the educational institutions.

Socially Useful Productive Work (SUPW)

We consider that exposure to social service is a quintessential part of B.Ed. training which leads to the wholesome development of the personality of the teacher - trainees. Hence, students are provided a range of opportunities to serve the community, both through on campus and off campus activities. Students are also rewarded with academic credits for participation in activities. SUPW is

an integral part of B.Ed. curriculum. The idea behind is to allow our teacher-trainees to give expression to their co-curricular interests and aptitudes. S.U.P.W. is an integral part of a school's curriculum as it helps the child to use his power of imagination, to express his thoughts, ideas and impressions through various activities, to develop his skills and to help the child to show his potentiality and originality. Also, the inclusion of SUPW in the School curriculum aims at enhancing the all-round, fullest possible developments of each child, thus enabling them to successfully cope with the ever-changing demands and challenges of the world around them. The aim of B.Ed. course is to produce competent and skilled teachers. A teacher can become capable of contributing to the society. There is a provision for five days SUPW camp. In this SUPW camp student-teacher develops certain skills through work experience, for example, gardening, chalk making, interior decoration, cooking, stretching & tailoring cloths, candle making etc. In this camp teacher- trainees are encouraged to participate in various community services, extension activities, sports and cultural activities.

Guidance & Counselling Cell

The motto of Guidance & Counselling Cell(GCC) which functions as a part of Student Support Services(SSS) for student retention. The principal and all the tutors do the counselling of the Teacher-trainees and guide them regarding curricular, co- curricular, career and personal matters. The Cell nurtures the students through the different activities and allows the students to cross the hurdles in the academic year thereby marching smoothly towards success. The Guidance and Counseling Committee is looked after by a teaching faculty. Under this cell there are different programs conducted with an aim of catering to the needs of individual differences.

The following are the activities conducted under this cell

- ★ Remedial coaching
- ★ Mentoring through study circles
- ★ Assistance through proctorial system
- ★ Linkage with bank for educational loan
- ★ Scholarship for eligible Teacher -Trainees
- ★ Career oriented training programmes

Proctorial System

The proctorial system has been introduced for effective improvement of student teacher relation in the institution. The students of a proctorial group are assigned to a member of the teaching staff who shall act as their Proctor. The students are required to meet the proctor daily to report the progress of their studies and other academic difficulties. The students of the proctorial groups shall meet the proctors at the lunch break and discuss with her their difficulties and academic problems. The students shall furnish such information to the proctors as required for the maintenance of the proctorial record. No student shall leave the campus without informing the proctor. No student can ordinarily meet the principal on official business without the permission for

the Proctor nor can any application be submitted without the recommendation of the proctor. Any adverse report against a student by the Proctor will be seriously viewed and dealt with accordingly with the intimation to their parents. Monthly fees and other fees of a student will only be accepted after submission of the monthly proctorial records by the proctor. No help from any source or other forms of assistance will be given to a student unless recommended by the proctor. The promotion in the college Examination and an issue of the final conduct and transfer certificate-from the college will also be reflected on the Proctorial records of a student during the period of study in the College. Each student will be the ward of a teaching staff who will be his/her Proctor.

Value Added Courses

The college has designed so far, many value added programmes for the students.

Some of them were as follows:

- ★ Web tools for instructional purposes
- ★ English Communication Skills
- ★ Research tools development
- ★ Developing instructional design
- ★ Preparation for NET/SET

Women Development Cell

As per the guidelines of the Vice-Chancellor of University of Mumbai, the College has introduced a Women's Development Cell in the academic year 2011-12. The Women's Development Cell (WDC) is a statutory body for the prevention/action against sexual harassment of women. It looks into the grievances/complaints of teaching, non-teaching staff and students, especially in cases of gender discrimination.

Objectives

- ★ To create awareness of sexual harassment through guest lectures
- ★ To ensure protection of girls/women from sexual harassment studying/working in the premises
- ★ To redress the cases of sexual harassment if any
- ★ To enforce disciplinary framework for students
- ★ To organize workshops, seminars and talks to convey the message of Gender Equality (Gender Sensitization Workshops)
- ★ To organize the gender awareness through posters/slogans/essay competition/screening of films/street plays
- ★ To organize the programs with other associations of the college such as Students council, Cultural Association, etc.

Placement Cell Services

The functioning of college placement cell has always proved to be effective as it remains in constant touch with the prospective employers to intimate their human resource requirement. On learning the requirements, a mutually agreeable date is fixed for holding interview at the college campus and the candidates are guided and trained for the demonstrations and interviews. The placement cell ensures and takes care to provide the best arrangements for placing its students in premier institutions. Many reputed schools and institutes sends their requisition to the college for qualified and competent teachers namely:

Academic Calendar

Academic Calendar is a holistic view of the year activities. It indicates the planning of the academic and non-academic activities throughout the year. In the beginning of the year the academic activities and non-academic activities

are chalked out keeping in mind the two vacations. From August to April, all the activities are arranged with mutual consent with the Principal & the faculty members. Each person conducting a particular activity refers to the academic calendar.

Apart from this even the decision on IQAC meetings, Faculty forums, Staff meetings are also tentatively mentioned. However, the dates of these meetings might change as per emergency. To prepare the students for 21st century, the faculty from the current year introduced the latest strategies in various subjects. It included the sessions on Activity based learning in science Multiculturalism, preparation of rubrics, etc. It will aim to conduct certificate courses on transactional analysis, Experiential learning etc. in future. Similarly, even for M Ed & PGDME academic calendars are designed so as to achieve the objectives of teaching the course could be achieved. Finally, strict monitoring of the academic activities of the course is done by the Head of the institution.
